Judge Aram M. Ohanian presents the Annual Report of the Perrysburg Municipal Court. This report contains statistical information required by law to be reported to the Ohio Supreme Court, Perrysburg City Council, and the Wood County Board of Commissioners. We want to acknowledge and thank Perrysburg City Council and the Board for their support in providing the funds necessary to serve the public in 2022.

As we look forward into the future, we remain committed to modernizing the operations of the Court to ensure we provide quality services to the public at a reasonable cost. In 2022, we said goodbye to the Court's long time Magistrate James Schaller, who left to pursue further professional challenges in Lucas County. We welcomed only the second Magistrate in Perrysburg Municipal Court history, bringing in Jacqueline Kirian as our new Magistrate.

In 2022, the Court continued to expand the role of our probation department in providing service to our clients. The Perrysburg Municipal Court, in cooperation with the various law departments we work with, designed and implemented our own Theft Diversion program for qualified offenders. This program is tailored to provide services that better fit the needs and goals of our constituents than what was available previously. Our successes in this program have already paid dividends, promoting our goal of reducing recidivism and allowing for future success for those who qualify, as we look forward to continuing to modify and improve the program as needs change in the future.

The Court recognizes that its achievements are only possible due to the dedication and professionalism of its staff and the support of the citizens of this district. As we face new challenges in 2023, we are well positioned to handle these challenges with flexibility and efficiency. Our goal is to be proactive and adaptive, and we will continue to be active contributors to our community through outreach, education, and community service.

Respectfully Submitted,

Hon. Aram Matthew Ohanian
