I am pleased to present the Annual Report of the Perrysburg Municipal Court. This report contains statistical information required by law to be reported to the Ohio Supreme Court, Perrysburg City Council, and the Wood County Board of Commissioners. As we look back on this year of transition, a note of thanks is warranted to Perrysburg City Council and the Board for their support in providing the funds necessary to serve the public in 2021. This Court continues efforts to modernize the operations of the Court to ensure we provide quality services to the public at a reasonable cost. Our efficient use of resources has allowed us to weather the storms caused by the public health crisis of the past two years without placing undue burden on our community.

As is the case throughout the state, our numbers have been impacted by the COVID-19 downturn. Having said that, our case filings have rebounded to pre-COVID levels and appear to be increasing. In addition, this Court has partnered with the Maumee Municipal Court to become the new home of the Domestic Violence Program for male offenders, a program designed to hold offenders accountable while teaching them skills and methods to change their behavior. The Perrysburg Municipal Court and its staff are always looking forward to ensure that we can provide the best service to our constituents and be an asset to the community.

The Court recognizes that its achievements are only possible due to the dedication and professionalism of its staff and the support of the citizens of this district. As we face new challenges in 2022, we will continue to be proactive, flexible, and will continue to be active contributors to our community through outreach, public service and education, and community service.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read 'Aram Ohanian', is written over a horizontal line.

- **Rule 4 Hearings** – Rule 4 Hearings (defendants who are stopped in Wood County and who are wanted in a non-adjointing county) are filed in this court, if the defendant fails to return voluntarily.
- **Search Warrants** – Law enforcement officers must request permission to search for evidence in some instances. The search warrant records are filed and maintained in the Clerk's Office.
