Judge Aram M. Ohanian presents the Annual Report of the Perrysburg Municipal Court. This report contains statistical information required by law to be reported to the Ohio Supreme Court, Perrysburg City Council, and the Wood County Board of Commissioners. We want to acknowledge and thank Perrysburg City Council and the Board for their support in providing the funds necessary to serve the public in 2024.

2024 was a challenging year in a lot of respects. The Municipal Court caseload increased dramatically to levels we had not seen since before the COVID Epidemic. Changes mandated at the State level had to be considered and adjusted for. As always, the continued challenges of substance abuse and mental health among our clients forced us to adapt in order to provide good service to our clients. The Court met these challenges head on. We were able to successfully navigate these waters due to the excellence of the staff and the foresight exercised over the past few years to put in place the necessary staff and the necessary practices to accommodate them.

From technology adoption to adjustments in the roles and duties of staff members, the Perrysburg Municipal Court is prepared for the changes mandated by the legislatures to challenges in our communities. Through planning and efficient use of resources, as well as close partnership and communication with the legislative and executive branches of local government, the defense bar and other agencies, the Court has dedicated significant resources to make the community safer and reduce recidivism among offenders through use of technology as well as working with local agencies to provide services to those in need. Our successes in these programs have paid dividends, promoting our goal of reducing recidivism and allowing for future success for those who qualify, as we look forward to continuing to modify and improve the programs as needs change in the future.

The Court has continued its mission to be a partner in the community to help maintain the quality of life of our region. Through programs such as Traveling Court (where the Court traveled to the City of Rossford to hold court session in the Rossford Council Chambers) to weddings (including a Valentine's Day event where couples were married in a special ceremony), volunteering at events such as the Clean Your Streams park cleanup and hosting and assisting the Junior High and High School Mock Trial teams prepare for their competitions, the Court has remained an active partner in the community.

As we look forward to the new challenges that are sure to come in 2025, we are confident in the ability to adjust and adapt to the changing landscape with professionalism and with courtesy. We will continue to provide fair, efficient and responsible service to our community. Our commitment to service while being mindful of the important role we play in those who use our Court is paramount.

The Perrysburg Court also would honor the life of long-time bailiff and friend Joe Brainard who passed in 2024. Joe was an icon in the community, serving as a Perrysburg Police Officer and then Chief Bailiff of Perrysburg Municipal Court. More importantly, Joe was a friend, always willing to go the extra mile to help wherever needed, and quick with a story, ornery at times, but a great man. He is missed.

The Court recognizes that its achievements are only possible due to the dedication and professionalism of its staff and the support of the citizens of this district. As we face new challenges in 2025, we are well positioned to handle these challenges with flexibility and efficiency. Our goal is to be proactive and adaptive, and we will continue to be active contributors to our community through outreach, education, and community service.

- **Rule 4 Hearings** – Rule 4 Hearings (defendants who are stopped in Wood County and who are wanted in a non-adjointing county) are filed in this court, if the defendant fails to return voluntarily.
- **Search Warrants** – Law enforcement officers must request permission to search for evidence in some instances. The search warrant records are filed and maintained in the Clerk's Office.
